

ELWEMA AUTOMOTIVE GMBH

TEAMWORK!

The perfect and seemingly easy interaction of all components brings success. We at ELWEMA Automotive live by this motto and are thus able to continuously develop new and highly innovative manufacturing solutions in cleaning, testing and assembly technology for our customers. Today, engines, steering systems and transmissions are our focus for all leading automotive manufacturers worldwide. In the future, we want to increasingly support our customers in the automotive industry in new technologies, which are in the field of drive technology (e-motor, battery production, ...). In addition, we want to further expand our customer base in the future based on our high technology - know how in new industries.

We are currently searching for our location in **Ellwangen**

a Vision Expert M/F/D

Your Tasks

- Design of suitable camera systems with the help of suppliers, taking into account system integration, feasibility and reliability
- Functional test of the designed system with associated hardware
- Creation and documentation of the evaluation software and interface for the various systems
- Commissioning and adjustment of camera systems on our machines and setting up communication with PLC and other systems
- Execution of in-house / and customer trainings as well as preparation of training documents
- Support of the colleagues at the customer by remote access

Your Qualifications

- Completed degree in Optical Engineering or comparable qualification
- Good MS Office skills
- Good command of English
- Ability to work independently, team player and a passion for technology
- Knowledge of different camera systems (Matrox, Cognex, Keyence ..) desirable

Your Perspective

- Varied and challenging tasks at an innovative automotive supplier
- Promotion and further development of your strength
- Flat hierarchies and short decision-making processes
- Team-oriented work in a creative environment and a modern workplace
- Pleasant and motivating working atmosphere in a trusting and open corporate culture
- Company social benefits
- Corporate benefits

Are you fascinated by perfect technology? We are looking forward to your application
